Beware of bogus 'energy-saving' devices

"If a product sounds too good to be true when it comes to energy savings, it probably is." This is the solid advice offered by the Cooperative Research Network (CRN) after a recent study of devices boasting quick-fix energy savings. The report investigated these so-called energy-saving products and their enthusiastic sales pitches, finding several products

and claims to be misleading—and potentially dangerous.

When the weather starts to cool and energy use rises, members may be tempted by advertisements that claim to "cut utility bills in half" or promise "quick and easy savings." But buyer beware, those who are taken in by these claims often are disappointed and can even be exposed to serious electrical hazards. The CRN report investigates these products, which ended up ranging from deceptive and ineffective to illegal but effective.

One example includes a \$200 plug-in device said to trim electric consumption and extend the life of appliances, yet was found to reduce use by no more than 0.06 percent in the average home. Another product requires consumers to tamper with the meter to install a device designed to bypass power

flowing into a home. By installing this device, the consumer is essentially stealing electricity. In addition to being **illegal**, meter tampering is also extremely **dangerous**. Members should leave any meter work up to the cooperative and refrain from any altering around the meter.

If you are looking to reduce energy costs please keep in mind that the appliances, tools and other electronic devices in your home require a certain amount of electricity to operate—a fact that no "miracle" remedy can change. The best way to save is by focusing on energy efficiency and reputable Energy Star appliances. Find tried-and-true efficiency and conservation tips by visiting us online at www.midohioenergy.com or by contacting our offices.

In memory of Lester Fleming

Lester Fleming of LaFayette passed away Sunday, Sept. 13, 2009 at the age of 90.

Fleming served as a board member for United Rural Electric and Mid-Ohio Energy for 16 years. Fleming was elected to the United Rural Electric Board in 1986 and served through the merger with Marion Rural Electric to form Mid-Ohio Energy. After the merger, the board reorganized from 16 members to nine board members and at that time Fleming retired from the board in 2002.

Fleming was a lifelong dairy farmer. He was a member of the St. Mark Lutheran Church of Ada and a 1937 LaFayette-Jackson High School graduate. He was a

PFC in the U.S. Army during World War II, serving in Europe. While there he attended agriculture school in Germany. He was a Jackson Township Trustee for 28 years, past president of the Allen County Farm Bureau, manager of the Milk Tent at the Allen County Fair; County Committee for Allen County ASCS and a member of the Allen County Dairy Service Unit.

Fleming is survived by his wife Evelyn, three sons, two daughters, 14 grandchildren and 23 great-grandchildren.

We extend our deepest sympathies to the Fleming family.

Co-op Connections

The Dental, Vision and Hearing Savings program is available for a low monthly fee of \$4.25 per family to members of the cooperative. Through this new offer, members will save 15 to 50 percent on dental services at thousands of participating Aetna dental offices nationwide; 10 to 60 percent savings on eye exams, eyeglasses, contact lenses, even LASIK surgery; and 15 to 50 percent on hearing aids and hearing care products.

To sign up for this new offer, go to the cooperative's Web site, www.midohioenergy.com and click on the Co-op Connections Card icon and follow the instructions to see the

list of local and national businesses. Once you click on the local and national businesses, look for the Dental, Vision and Hearing SAVINGS icon. You will receive a membership booklet from Cooperative Healthy Savings and a discount card to present at participating dentists, vision and

hearing care professionals to receive instant discounts.

(This program is administered by a third party and is not affiliated with Mid-Ohio Energy)

Co-op Connections update.

Check out these local deals that can be utilized with your Mid-Ohio Energy Co-op Connections Card! Listed below are November's featured businesses. For more information, click on the Co-op Connections icon on our Web site at www.midohioenergy.com.

Cahill Automotive; Kenton 10% discount on all services
Marion Flower Shop and Gift Center; Marion 10% off (in store purchases only)
Health Chek; Ada 10% off purchase (some exclusions apply)

Theft-of-power notice

Since 1978, a revised Ohio Law has covered theft of utility service and tampering with utility equipment. The statute provides that a person does not have to be seen tampering with utility equipment or be seen tampering with his/her meter to be held responsible for such action. Prior to the revision of the law, it was difficult to prosecute a person unless the action was witnessed. In addition, in prosecution for a user's reconnecting a device that was disconnected by the utility, such action is considered prima facie evidence the user intended to defraud the utility.

The law defines the theft of utility services as a first degree misdemeanor if the value of the stolen electricity,

plus any equipment repairs, is less than \$150. It is a fourth degree felony if the value is more than \$150, or if the offender previously was convicted of the charge. Tampering carries similar penalties. It is defined as "to interfere with, damage or bypass a utility meter, conduit or attachment." Conviction of tampering can mean six months in jail and a \$1,000 fine to five years and a \$2,500 fine.

Meter tampering costs all of us. It also is downright dangerous. If you witness someone tampering with their electric meter, contact your Cooperative office. Anyone caught violating the law will be prosecuted.

Mid-Ohio Energy Cooperative wishes you and your family a wonderful Thanksgiving holiday.

As a reminder, our office will be closed on Thursday and Friday, Nov. 26 and 27, for Thanksgiving so that our employees can enjoy the holiday with their families.

Annual Cash for Addresses Contest

You could win a cash prize for helping Mid-Ohio Energy locate former members from this list. Each former member is due a capital patronage check for a share of the margins earned by the cooperative during the years they lived on the system. Vouchers were sent to the last known addresses but were returned by the U.S. Postal Service as undeliverable.

We are asking for your help in locating people from the list so we can give them their checks. Your name will be entered once for each name you help us locate from the list. A drawing will be held to determine the winners of the "Cash for Addresses Contest." First prize \$35, second

is \$25 and third prize is \$15. You may choose cash or a credit toward your energy bill. The more names you help us find, the greater your chances of winning.

Send the names and addresses to Mid-Ohio Energy Cooperative, Inc., 555 W. Franklin Street, P.O. Box 224, Kenton, OH 43326-0224.

You may also take the information to the Kenton or Marion office of the cooperative.

Several thousand dollars are refunded annually through help received in this contest. Thanks to each of you who have helped us with this contest in the last several years.

Letters from Members

Dear Mid-Ohio Energy Cooperative, Inc.,

Thank you so very much for seeing fit to award me scholarship money from your organization. Words can't describe the thanks I feel for your extreme generosity. The scholarship you provided me with has been an infinite help covering the cost of my college attendance and has lifted a great load of pressure off of my shoulders. I plan on teaching high school chemistry as soon as I graduate from college and the lessened load of debt I will have to take on to attend college will allow me to better focus on my classroom and the educational experience I will provide my future students. Also, thank you very much for the opportunity you offered me to represent our cooperative at the statewide competition, I had an amazing experience and I was blessed enough to receive second place overall in the boys' division.

Once again, thank you very much for providing me with this financial help for college.

Sincerely,
 Zachary L. Dunn
