

Appliance Rebates for Cooperative Members

\$100

REFRIGERATOR & FREEZER REBATE

ENERGY STAR®-certified refrigerators and stand-alone freezers (10-30 cubic feet) can qualify for a \$100 rebate* from *Mid-Ohio Energy* when purchased & installed at a location served by the cooperative.

\$150

AIR CONDITIONER REBATE

ENERGY STAR®-certified air conditioning units (a maximum of two) with a minimum 16 SEER rating and a cap of six tons can qualify for up to a \$150 rebate per unit. *The unit must also have a load management switch installed by the HVAC contractor for participation in the co-op's load management program. Load management switch provided by Mid-Ohio Energy at no cost to the member.*

Mid-Ohio Energy is offering rebates to residential cooperative members who replace their existing refrigerators, stand-alone freezers, or central air conditioning units with a new ENERGY STAR®-certified product. This rebate is available only to residential members.

Members must purchase and install a new ENERGY STAR-certified product between 7/1/18 and 6/30/19.

SPECIFIC REQUIREMENTS: Members are required to provide documentation, such as a purchase receipt, showing that the product was purchased and installed in a home served by the cooperative.

Members must also include proof of ENERGY STAR certification, such as a copy of the yellow Energy Guide label or owner's manual (must include ENERGY STAR logo or statement of ENERGY STAR certification).

All rebates are issued in the form of a credit to the member's electric account. A maximum of two rebates per appliance type (two refrigerators, two freezers, or two air conditioning units), may be paid per residential member home during the current program year from July 1, 2018 through June 30, 2019.
